About Guest Player Connect

At Guest Player Connect, everything we do starts with one belief: every kid deserves more chances to play. Not just practice in the cage. Not just sitting the bench on tournament day. But real, meaningful game time—surrounded by friends, led by great coaches, and playing the sport they love. We started GPC as parents who were tired of waiting—waiting for coaches to respond, for invites that never came, or for politics to pass before our kid got a chance.

That's why we created a simple, family-first alternative: one-weekend teams, off-weekend reps, and now—full roster teams for Cooperstown All Star Village. No tryouts. No politics. No virtual showcases. Just sign up, show up, and play. And if your child wants to go to Cooperstown with their buddies? We make it easy. You can register with friends, guarantee your roster spot, and skip the stress that normally surrounds this once-in-a-lifetime experience.
